2

Content

During our 10-day online program you will connect with people all around the world to learn or improve your German.

For 10 days you will interact in an activity-oriented virtual classroom. Our trained teachers will support and guide you through the intensive teaching live sessions.

The course material will be provided online.

Furthermore, you will be given access to additional material via an online learning platform, in order to complement the live sessions.

Teachers

Dr. Gülsüm Günay

As someone who grew up in a multicultural environment, I understand the importance of speaking more than just one language. In my professional life, I have mostly focused on adult education with a special focus on training other language teachers how to best facilitate language learning.

Milena Ivanova M.Ed./M.A.

I have always been interested in foreign languages and cultures, beginning from when I was a student at a German school abroad. After having majored in Education Studies in Berlin and Mainz, I worked as a teacher in Germany, Ukraine, and several countries in South and Central America.

Application Process and condition of participation

In order to register for our online class please go to our homepage.
